2.0 Public Input

There was no public input.

3.0 Presentation and Discussion of Library Mural Design by Art Camp Students

Jenna and Nick presented two designs for the library mural that were designed by their summer Art Camp Students. One design was a natural scene based around Scappoose. The other design was the word "Scappoose" with designs featuring things in town within each letter. The board discussed what they liked and disliked about each design. Jeff mentioned that the "Scappoose" design was similar to the Scappoose Centennial art tshirt design. The board decided to approve the "Scappoose" design because it was less library centric and a better design for the park.

4.0 Board Comments

The board stated that they appreciated the student's work and thought both designs were excellent

Adjourn
